### • Retail • Light Industrial • Residential Services

The Hamstra Group is a full-service facility maintenance and residential service company, providing home owners, light industrial, and retailers with cost-effective solutions. The Hamstra Group provides exceptional service and workmanship at reasonable prices. Utilizing our highly qualified workforce allows The Hamstra Group to perform an array of maintenance and repair services. With more than 50 years of experience, our staff is keenly aware of the unique characteristics and operating issues associated with servicing light industrial, retail, residential homes and apartment complexes.

Customer satisfaction is our paramount goal. We meet and exceed this by providing the highest quality service, coupled with continual communication to each of our customers. We work together with you to gain a thorough understanding of your specific needs. This allows us to customize a flexible program that will work best for you.

The Hamstra Group serves as a trusted partner and advisor for a growing list of light industrial, retailers and home owners.
